Alma Mater

In a peaceful quiet valley
Under skies so blue
Stands our noble Alma Mater
Glorious to view.

Lift the chorus
Speed it onward
Praise her to the sky,
Hail to thee our Alma Mater
Dear Old Brockway High.

1987 DEDICATION

Dr. Nicholas F. Lorenzo

Mrs. Jean Wood Lorenzo

This years yearbook is dedicated to a well respected man who has touched the hearts of every person in our community.

He has been more than just a person who has cared for and about us - he has also been a good friend. The long years of dedicated work began as an intern at St. Francis Hospital in Pittsburgh, Pa in 1941. Upon completing his duty with the US Army in 1945, he practiced medicine in Punxsutawney for a year before coming to Brockway in 1946, where for the past 40 years, he has devoted his time, patience, and care to many people. Of these past 40 years, 37 years have been devoted to the care of the students of Brockway Area High School.

He has been married to the former Jean Wood for the past 44 years. Jean has been his faithful nurse, ever by his side, to help in any possible way.

Because of your tender, loving care you have given us all these years, we have grown to love and respect you in the same way. You were not only our doctor and friend, but also our confidant. We wish you much health and happiness in your retirement years, as we the Class of 1987 dedicate our yearbook to you, Dr. Nicholas F. Lorenzo.

*On January 17, 1987, Dr. Nicholas Lorenzo passed away. He left us with many fond and, oftentimes, humorous memories. He will be sadly missed.

Seniors Of 1987

We Grave and Reverend Seniors

We grave and reverend seniors,
 Who thought the years so slow
 We spent in acquisition
 Of things we had to know,
 Are filled with wild excitement;
 At last the goal is won.
 We gaze in admiration
 Upon the work we've done.
 The courses we have taken,
 The stiff exams we've passed
 Would indicate intelligence;
 With wonder we're agast.

The faculty, they tell us,
 Are equally surprised,
 For when they found us passing
 They scarce believed their eyes.
 Perhaps it was their wisdom
 That dragged us up to grade,
 And so we're saying, "Thank you,"
 For good advice and aid.

Clockwise: Valerie Golob, Sec.; Melissa Marchiori, V-Pres.; Les Smith, Pres.; Ray Rowles, Treas.

The Homecoming festivities began with Spirit Week. It started with Monday, being "Fifties" day, Tuesday was "Nerd" day, Wednesday was "Generic" day (black and white), Thursday and Friday were the traditional "Jersey" and "Red/Black" days.

Friday was the bonfire, which on account of rain, was moved into the gym. There was a dance following the pep rally in the gymnasium.

Saturday, Sept. 27, was the football game against Clarion-Limestone. The Homecoming court consisted of 5 girls, Jennifer Boucher, Valerie Golob, Wendy Hickman, Missy Marchiori, and Kim Powell. During halftime Jennifer was crowned as Queen and the rest of the court received trophies. The day was completed with the Homecoming dance held Saturday night with the theme "Heaven In Your Eyes." We're sure that all five of the girls will remember this day for years to come.

Giving officers advice???

Brockway was excited this year to have an exchange student from Finland. Valtteri Kaasinen, better known as "Val", is presently taking classes from the academic curriculum and is looking forward to graduating with the Senior Class of 1987.

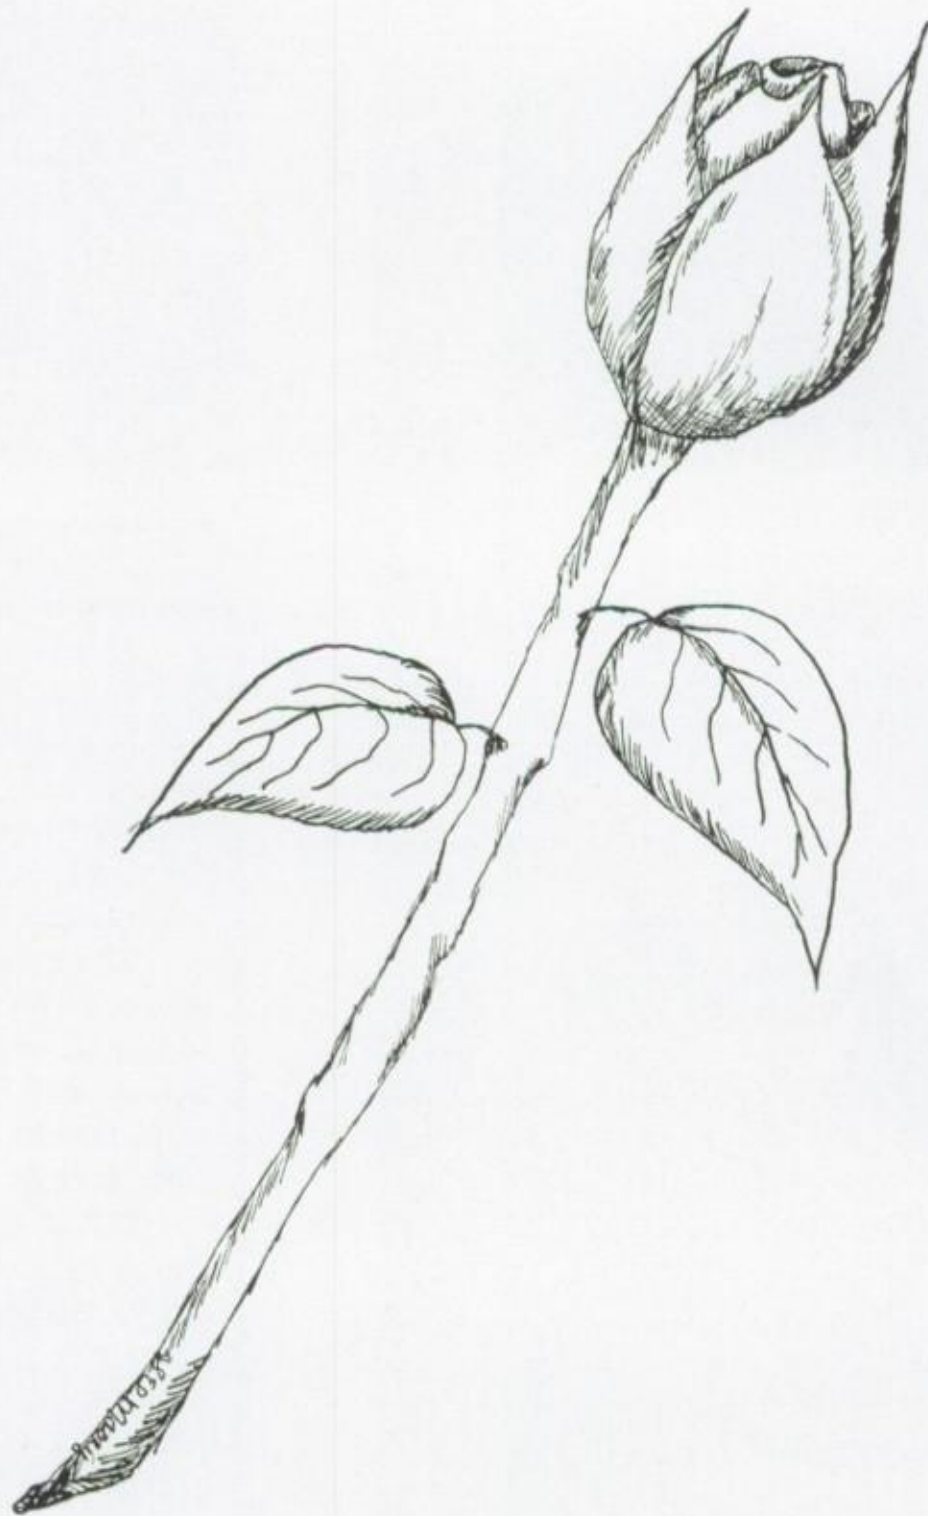

The schools in Finland are different from the schools around here. Back in Finland, they start at age seven in a lower comprehensive school for three years. From there about 45% of the students go to Senior Secondary School and then on to college, if they want.

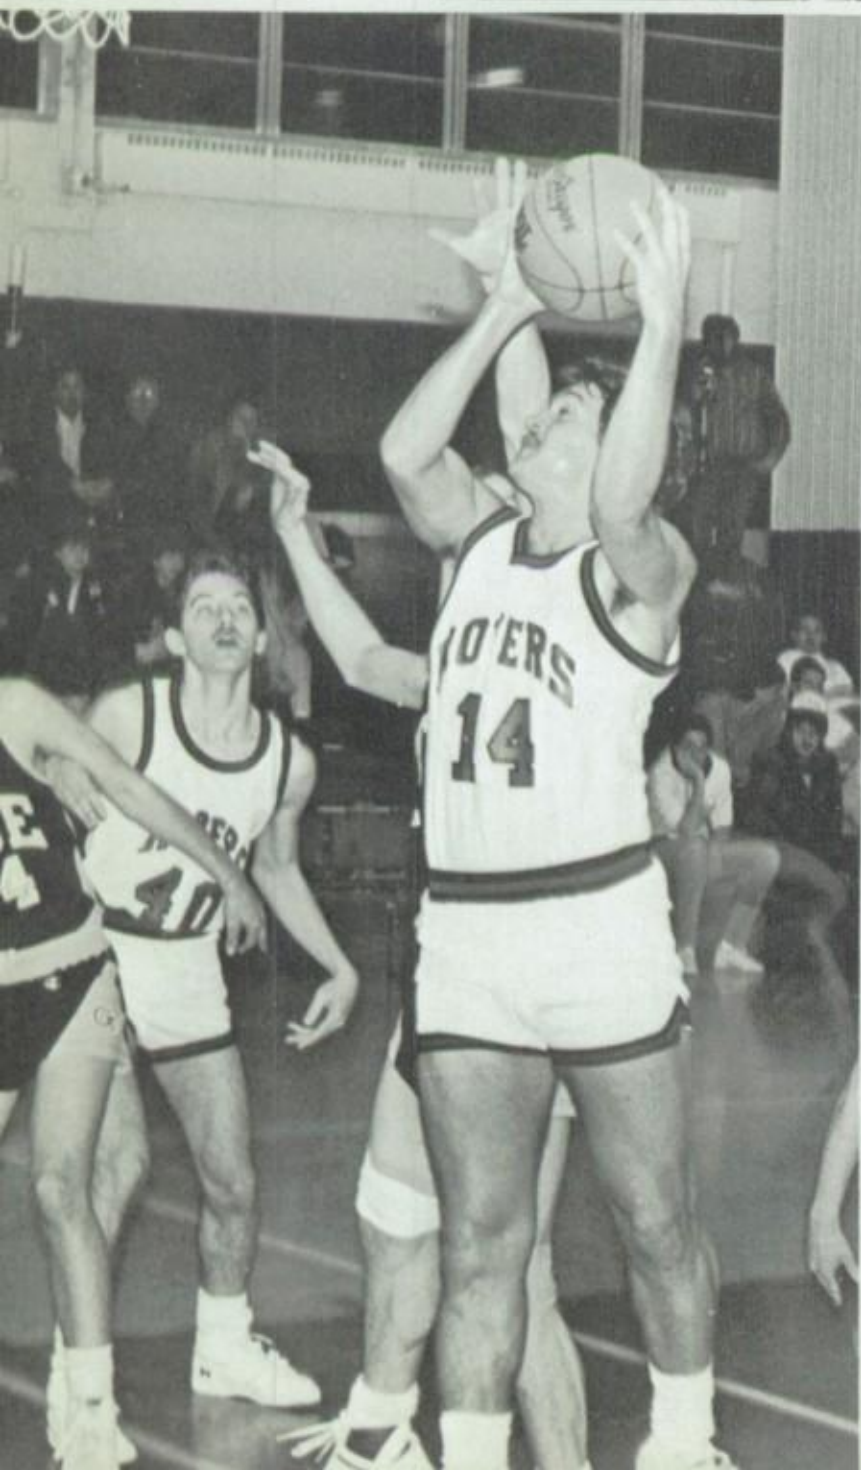

While in Brockway, Val has played football with the Brockway Rover football team. He was also a manager for the boys basketball team.

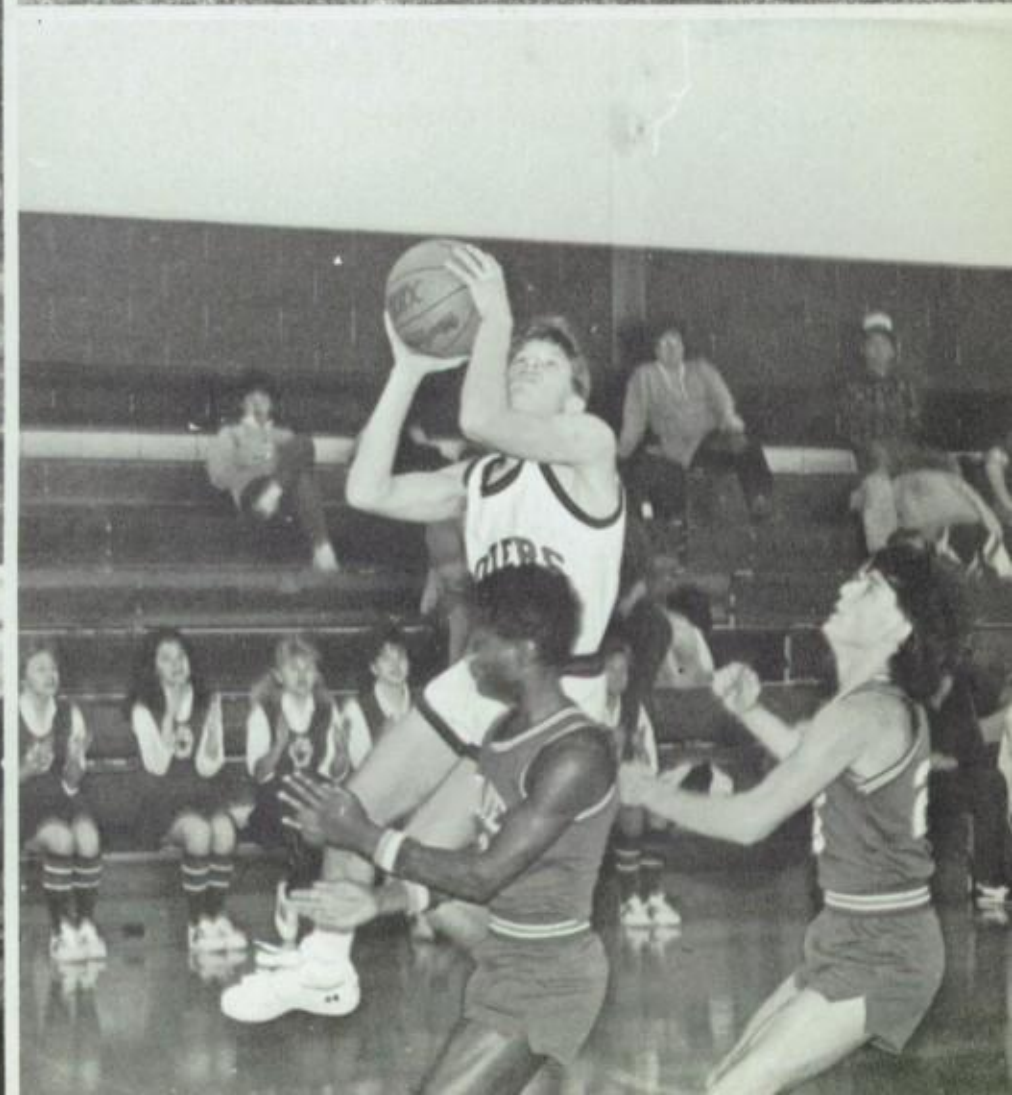

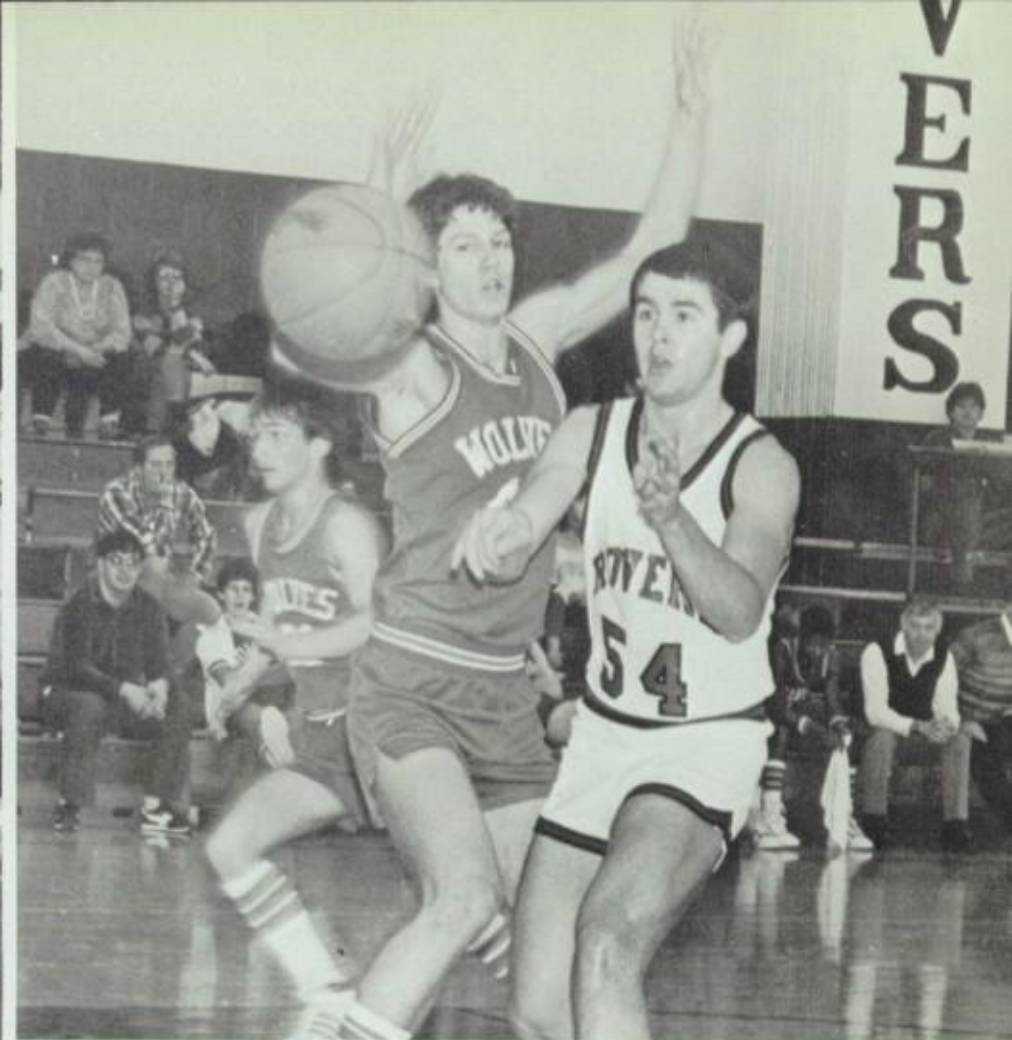

After Val goes back to Finland, he will finish 2 years of Senior Secondary School. His future plans are to either attend a school of economics or an art school.

During Val's stay here in America and Brockway, we have learned many things from him about the way things are in Finland compared to here. Val has learned many things about us, too. We're sure that when Val leaves he will be missed by all his friends!!!

Life in the fast lane?!?!

Ask Any Girl

"Ask Any Girl" is the story of Meg Wheeler, who leaves her small Pennsylvania hometown and moves to New York City. Her dreams of landing a wonderful job and a rich husband come true, but not the way she thought they would.

While trying to pry a proposal from one of her bosses, playboy Evan Doughton, she finds herself falling in love with her other boss, Evan's businesslike brother, Miles.

This tangled plot, along with the ups and downs of the other girls at the Madison Avenue Girls Hotel, gave both the cast and the audience of "Ask Any Girl" two fun filled evenings of comedy.

You wouldn't believe this call!!!

Student Council

This year's Student Council has found itself focusing on the purpose of school; learning. There are several new faces, including that of advisor Miss Robin Baxter, who have learned through experience, the processes of a student government. Some of the success of the 40 member council this year are Homecoming, the After School Specials and Snowball dance, Student Loan Fund Drive, Spring Festival, and several other casual dances. The Student Council would like to thank the student body, faculty, administration, school board, and community for helping make this school year such a success.

We, the yearbook staff of 1986-87 would like to express our appreciation to those clubs, organizations, and individuals who purchased colored pages in the back of the yearbook. Also, to Mrs. ElMasry for her time and effort spent in designing the divider pages to make our yearbook special.

We would also like to thank Bernie Magirl for the suggestions and time he gave us during the creating process, and to Bud Grieneisen for taking the needed pictures to finish and complete our yearbook.

The staff would like to thank Mrs. Nancy Kocher and Mrs. Denise Carlini for the time they spent helping us. Mrs. Kocher supervised the financial aspect while Mrs. Carlini was in charge of the staff. They both sacrificed and offered countless hours for us.

We would especially like to thank Mrs. Carlini for expressing all the patience in the world with us, although we made countless mistakes. Also, for solving our little problems that seemed too immense! Thanks and we love ya!

P.S. Mrs. Carlini would like to express her thanks to the 1986-87 yearbook staff for all their hard work. This staff was one of the favorites of all time, and their laughter and smiling faces will be greatly missed next year. Good luck to all the seniors!
